

PROTAGONIZO

The image shows a wooden board leaning against a stone wall. On the left side of the board, there is a hand-drawn symbol consisting of two overlapping diamond shapes. To the right of the symbol, the word "PROTAGONIZO" is written in white, uppercase letters. The board is positioned on a cobblestone street next to a building with barred windows. A dark car is parked to the right of the board. A white bag is on the ground in front of the board.
